"LITTLE MAESTRO" TO DEBUT!!!

For months, the **TRIO NEWS** has featured stories of secrecy, intrigue, vandalism, police activity and restoration all involving the Rivoli "Little Maestro". Readers are apparently growing skeptical and have begun to question the **NEWS** staff.

Is there really a "Little Maestro"? Does **THE CALIFORNIA TRIO** really have it? Can they play it well? The answer to most of those questions is a resounding "Yes!!". In fact, a usually reliable **TRIO** insider has indicated that the famous instrument, considered by many to be the Holy Grail of accordions, will debut during the upcoming **TRIO** schedule. The debut date is still unclear but it could be as early as September 11th. Don't miss it!

FIRST EVER TRIO CANCELLATION!

August 21, 1999 marked the first time in **THE TRIO'S** 13 year history that a scheduled performance was cancelled. The remarkable 676 week run when original **TRIO** member, the "Real" Tom Steele was unexpectedly scheduled for gall bladder surgery. Tom is doing well and will be with **THE TRIO** on September 11th. **THE TRIO** apologizes to any of you who showed up at Rutabegorz.
